

The Website contains: ■ General Public Documents only (these documents are also available under the "Product Documentation" tab on the CenterLine® Documentation Portal. See page 2).

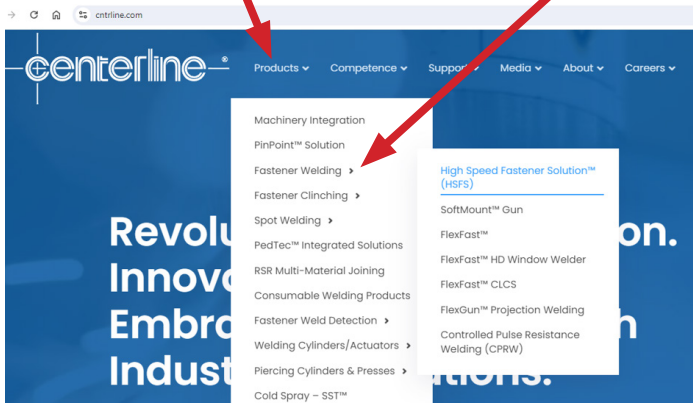

1. To access the CenterLine® website, go to:

[www.cntrline.com](http://www.cntrline.com) →

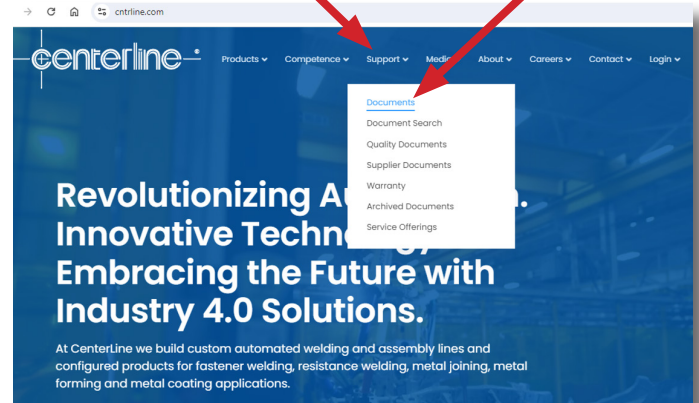

Then, choose one of the following:

2. Click on the "Products" tab, then on a group of products from the list.

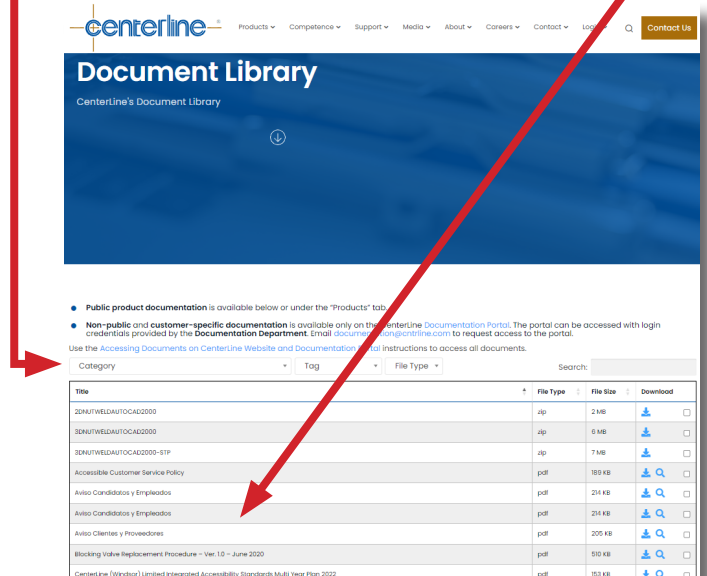

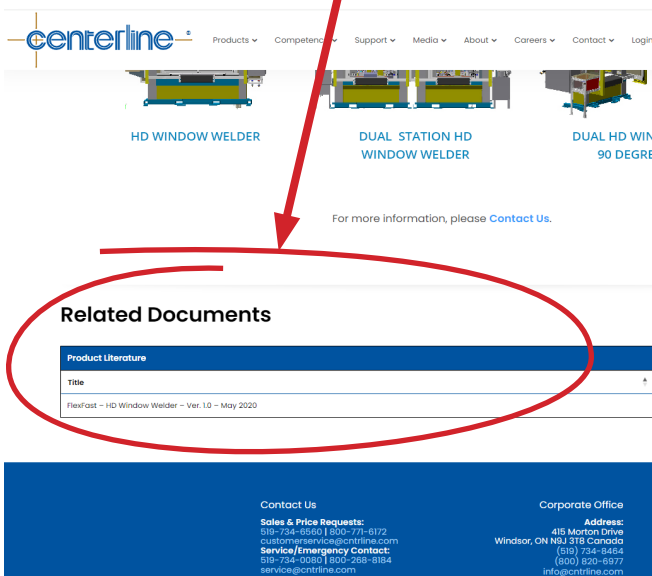

2. Click on the "Support" tab, then choose "Documents" from the list.

3. Scroll down to find the Related Documents at the bottom of the page.

3. Scroll down the list and click on the desired document. Alternatively, use the drop-down boxes and/or the Search bar to filter and find documents.

The Documentation Portal requires an access password. It contains:

- Product Documentation tab (includes General Public Documents from the website, and Non-public Documents. Some access may be restricted by CenterLine®).

- Customer Sites tab (contains equipment specific information)

1. To access the CenterLine® Documentation Portal, go to:

[www.cntrline.com](http://www.cntrline.com)

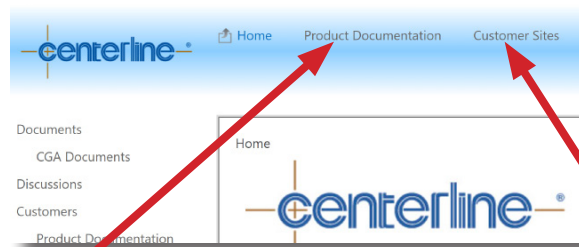

2. Click on the "Login" menu tab at the top of the screen, then choose "Documentation Portal" from the drop-down list.

3. Type in your User Name and Password (provided by IS or Documentation Dept. at CenterLine®). Click on the "OK" button.

4. Once logged in, choose one of the following tabs at the top or on the left of the screen:

## Product Documentation

Contains public (also posted on the CenterLine® website) and non-public documents, such as:

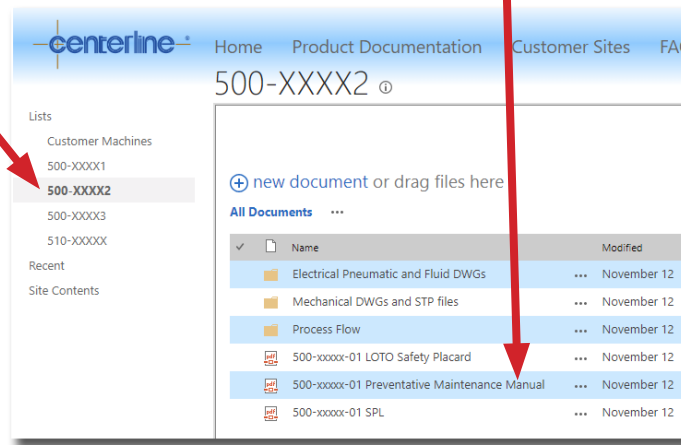

- Flyers, Brochures
- Product Guides
- Service Instructions and User Guides
- User Manuals and technical information

**Note:** Access to some of these documents may be restricted by CenterLine®.

## Customer Sites

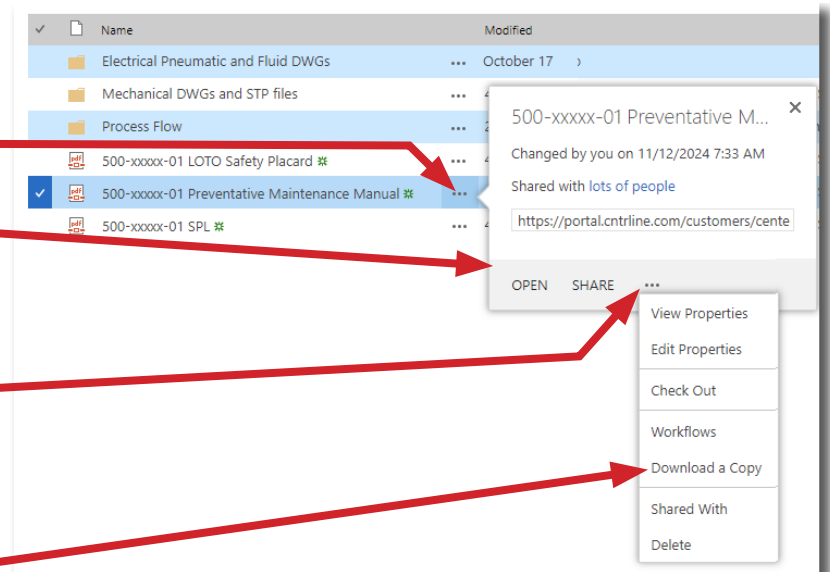

Contains customer accounts and information that has been provided to customers based on job/project numbers.

5. Choose the job/project number from the menu on the left. Then, select documents from the list as desired.

6. Click on the "..." next to the file name.

A popup box with more options will appear.

7. Click "..." to see more options.

8. Choose "Download a Copy."

9. Locate the file on your computer and move it to your preferred location.

If you experience issues accessing the CenterLine® documents, please contact your CenterLine® Account Manager, Project Manager, or email [documentation@cntrline.com](mailto:documentation@cntrline.com).
